

The List Edit

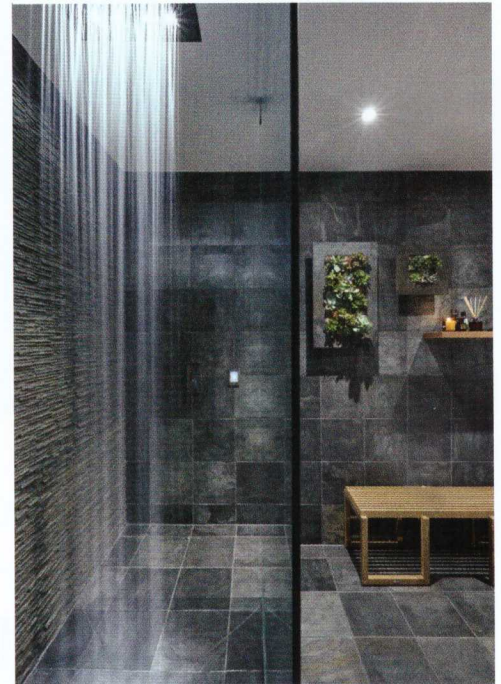

THREE MEMBERS ON HOUSE & GARDEN'S DESIGN DIRECTORY, THE LIST, SHARE THEIR DESIGN TIPS

▲ **GEORGINA CAVE** 'The kitchen is the heart of the home; it should be lived in and enjoyed. Rigorous planning of the layout is crucial, as is careful consideration of storage facilities. The addition of texture through the use of unexpected materials, furnishings and lighting will create interest. In this kitchen, the work station with the matt-wood interior set against the retractable glossy doors, the double island with super-slim composite worktops and the row of brushed-steel pendants create a visually striking, yet calm and highly functional space.' 020-7722 9222; caveinteriors.com

▼ **CHERIE LEE**

'Careful planning is the key to a great shower room. Think about the mood you want to create and sketch out a rough plan to map out your space. Don't forget the practicalities; for example, if you want to go for a large rainfall shower head, then you will need good water pressure and a water softener can be helpful, too. Feature lighting is great in shower rooms; we love incorporating pendant lights, under-cabinet lights and down lights.' 01707-817470; cherieleeinteriors.co.uk

► **MELANIE WILLIAMS**
'Bathrooms need meticulous planning. They are used so frequently and need to include a lot of

well-considered fixtures and fittings. We create highly functional spaces but this doesn't mean they are sterile or clinical. Bathing and showering are somewhat ritualistic, so we aim to create spaces that have atmosphere and character. Lighting is key as you have to cater for practical needs such as applying make-up, as well as providing more relaxing, flattering mood lighting.' 07989-597264; melaniewilliams.co.uk

The List is *House & Garden's* carefully curated online directory of UK-based design professionals, including interior designers, decorators, architects and garden designers. This platform connects members across the country with our readers, making it an invaluable resource for anyone looking to do up their house
